Breakout Session Descriptions

You've Got a Friend in Jesus

Overview of being a modern day disciple in today's hectic world. Discussion about the importance of relationships and our individual faith journeys.

Come Feel the Music

Come join us for a mind and soul blowing experience. Get inspired and feel the spirit dance in you as we sing some of the most inspirational songs with you, so come join us. Remember, when you sing you pray twice, that sounds like extra credit to me and who doesn't like getting extra credit.

Communicating with God

We text our friends, we talk with our parents and teachers and we listen to music, but how do we talk, listen, or "text" God? Let's explore some possibilities for communicating with God and God with us.

Science & Faith or is it Faith in Science?

Science and faith are not separate. Find out why by using math, archaeology, astronomy and more!

Saints & Heroes

Today's pop culture is full of "heroes". What makes a "hero"? Who are our church heroes? Come find a saint who speaks to you.

The Bible: It's Not Just a Book

Join us in discovering that some of our favorite Bible stories are also our friends' favorite stories too, and learn about some new stories at the same time! Together we will find out how to look up a well-known Gospel story, act it out and then challenge ourselves to put the story's lesson into action in the future!

Mary: Not Just Another Teen

It's easy to think, "If Mary is the Mother of God," what do we have in common? Lots! She worried, doubted, suffered, and even lost Jesus when he was 12 years old. She makes a good friend, a great listener, and a wonderful help as we live our Uncommon lives. Let's take another look.

Fruits of the Holy Spirit

Discover these 12 fruits given to us through the Gifts of the Holy Spirit. They are signs that the Holy Spirit is living with us. Can you find these fruits within ourselves and others?

Please bring your own refillable water bottle
