

St. Clement's Church Bad Weather Policy

If schools close in the morning the church and offices are closed for the day. All activities are canceled.

If the schools cancel classes during the day due to weather all activities at the church are canceled as well.

If the schools are delayed in the morning Mass is canceled and the church office will open late depending on if it's a 1 hour or 2-hour delay.

On the weekends if we are in a weather advisory please turn to the TV and view the school closings on the screen. We will post the information there.

Our goal is to keep everyone safe. Any Closings will be on the school closing network.
